

$$\Rightarrow 38 = 13 + x \Rightarrow 25 = x$$

- 
- A Venn diagram with three overlapping circles. The left circle is labeled 'Advocates'. The right circle is labeled 'Males'. The intersection of the 'Advocates' and 'Males' circles is labeled 'Husbands'.

- $$36 \times 5 + (36 \div 3) = 180 + 12 = 192$$

-
